FYI- the administrator asked for a briefing paper on FL, the Region was working over the weekend and sent this forward. I know it has been shared with OW and likely OGC.

I have yet to read it but here it is.

**Subject: FDEP 404 Assumption Update**

Trey, Mary and Blake:

I just heard from Tom that we received information from FDEP on Friday afternoon indicating they are targeting the publication of the Notice of Proposed Rule for September 28. Per their rulemaking process, FDEP staff will need to submit their draft rule to their Office of Fiscal Accountability and Regulatory Reform by September 21. They shared a working draft with us on Friday, and we plan to give them feedback by Wednesday of next week. Please call me if you have questions or wish to discuss.
